EL CENTRO FIELD OFFICE  
EL CENTRO, CA

Dear Mr. Zale,

The inaugural Imperial Valley Score 250 Offroad Race will take place on April 26, 2014 in the Plaster City area. This event is the first Score off road race to be held in California in the last 20+ years. This event will bring great focus on Imperial Valley and our off road resources. It also will bring a need for increased efforts to make this event safe for participants, spectators and officials. Limiting access to the race course will provide a significant tool in being able to manage this type of event properly. Two very large and well placed viewing areas have been created for spectators. One will provide vendor amenities while the second will provide easy access and great viewing opportunities.

To assist with efforts to "ensure public safety and prevent unnecessary environmental degradation during the permitted running of the IV Score 250 Off Road Race", the Imperial County Board of Supervisors is in support of the temporary closure of selected public lands under your administration. These lands are identified in documents you have had published in the federal register. This temporary closure will be in effect beginning at 12:01 AM April 22, 2014 and ending at 6:00 AM April 27, 2014 PST.

Thank you for your efforts to make this event successful for participants and spectators alike.

Sincerely,

John R. Renison, Chair

Imperial County Board of Supervisors
